EDUCATION & EXPERIENCE

Master of Computer Technology , Nanjing University Advised by Prof. Yuzhong Qu, Websoft research group	<i>Nanjing, China, Sep. 2020 - Jun. 2023</i> GPA: 90.96 / 100
Bachelor of Software Engineering , Northeastern University Advised by Prof. Guibing Guo and Prof. Gang Wu.	<i>Shenyang, China, Sep. 2016 - Jun. 2020</i> GPA: 4.1073 / 5.0, top 1.7%
Research Intern , Microsoft Research Asia Advised by Researcher Zhiwei Yu, Knowledge Computing group	<i>Beijing, China, Feb. 2022 - Feb. 2023</i>

RESEARCH INTERESTS

My research interests include question answering (QA) and knowledge graph (KG). Currently, I mainly focus on knowledge base question answering (**KBQA**) with semantic parsing-based methods, which converts natural language questions into structured formal queries such as SPARQL. I attempt to address challenges such as generalization and data scarcity. I have also conducted some research about recommender systems. Please see my [research statement](#).

SELECTED HONORS & AWARDS

Yingcai Scholarship, Nanjing University	2022
First-class Academic Scholarship for Master Students, Nanjing University	2020 - 2022
Provincial Excellent Graduates (top 3%), Education Department of Liaoning Province	2020
Meritorious Winner in MCM/ICM (international top 7%), COMAP	2019
Suzhou Industrial Park Scholarship(top 5%), Northeastern University (China)	2019
Pacemaker to Outstanding Student (top 1%), Northeastern University (China)	2018
National Scholarship (top 3%), Ministry of Education of the P.R. China	2018

TEACHING ASSISTANCE

Linux Operating System Analysis, Northeastern University, China	2017 Spring
